

PARISH OF ST. JOHN THE EVANGELIST
MEMORIAL HYMN SING

*For everything there is a season, and a
time for every purpose under heaven.
Ecclesiastes 3:1*

JUNE 14, 2020

Why a Hymn Sing?

Hymns help us praise God. They are shafts of brilliant sunlight through the clouds. They provide an almost mystical connection with the endless anthems of praise rising at this very moment before the heavenly throne. They unite the Lord's earthbound Church in heavenly harmony.

Hymns enable us to pray. Sometimes when we are too weary or worried for words, hymns express what we feel.

Hymns give us a way of talking to ourselves, of encouraging ourselves in the Lord, as we do when we sing "The Great is thy Faithfulness". Hymns also give us a pulpit for preaching to others, exhorting them to come to Christ "This is my Father's World".

Hymns connect us with loved ones and generations now gone. We are reminded of their great love, devotion, and faithfulness and the great faithfulness, mercy and love of God. Hopefully, the hymns we sing today will lift our spirits and cause our souls to sing as we celebrate "The Circle of Life".
